33. Far advanced in art or science; as *high* attainments.

34. Great; capital; committed against the king, sovereign or state; as *high* treason, distinguished from *petty* treason, which is committed against a master or other superior.

35. Great; exalted; as a *high* opinion of one's integrity.

*High church* and *low church*, in Great Britain, a distinction introduced after the revolution. The *high church* were supposed to favor the papists, or at least to support the high claims to prerogative, which were maintained by the Stuarts. The *low church* entertained more moderate notions, manifested great enmity to popery, and were inclined to circumscribe the royal prerogatives. This distinction is now less marked, but not wholly obliterated.

*High day, high noon*, the time when the sun is in the meridian.

*High Dutch*, is the German language, as distinguished from *Low Dutch* or *Belgic*, or the cultivated German, as opposed to the vulgar dialects.

*HIGH*, *adv.* Aloft; to a great altitude; as *towering high*.
